

St. Anthony General Objectives

- To provide a balanced program of worthwhile values, remembering that total education is the primary purpose of the school;
- To develop in all students a respect for the rights of others as individuals and groups;
- To assist our students in developing an appreciation for art, music, literature, and other areas of the fine arts;
- To assist our students in acquiring a sense of responsibility for themselves, the community in which they live, and the world community;
- To assist our students in acquiring critical thinking and problem solving skills which will enable them to meet the challenges of the future;
- To enable our students in acquiring basic skills while emphasizing the heritage, responsibilities, and the privileges of American citizenship.

St. Anthony School is an elementary school that is accredited by the Indiana Department of Education. Our average class size is about 20 students. We are very proud that over 86 percent of our students pass the ISTEP+ exam. In fact, 92.5 percent of our students are in the 95th percentile in both Language Arts and Math.

We offer many services to our students, such as three and four year old Pre School, speech therapy, counseling, After School Care, musical theater, art, St. Anthony School Credit Union Branch, modern technology, and much more. Other activities include football, volleyball, basketball, track, soccer, cheerleading, Academic Olympics, National Junior Honor Society, Student Council, Science Fair, choir, and liturgy participation.

We invite you to become part of our St. Anthony family. We will motivate students to achieve at a high level. We will encourage them to become the best faith-filled individuals that they can become. If you would like to visit St. Anthony School, you may call the school office and set up an appointment to visit our school.

Thank you for your interest. We hope we can share our school with you!
