

THE BEAR FACTS

April 25, 2018

Prayer

For flowers that bloom about our feet, For tender grass, so fresh, so sweet, For song of bird, and hum of bee, For all things fair we hear or see, Father in heaven, we thank Thee! For blue of stream and blue of sky, For pleasant shade of branches high, For fragrant air and cooling breeze, For beauty of the blooming trees, Father in heaven, we thank Thee!

Tuition Information

Tuition invoices for the 2018-19 school year were sent home last week. Please complete the bottom portion and turn it in to the school office along with the first tuition payment for next year by Friday, May 18th. This first payment must be made by check, cash, money order or credit card. IT WILL NOT BE AUTOMATICALLY DEDUCTED FROM YOUR BACK ACCOUNT.

Important Reminders

- It is extremely important that all accounts (Tuition, Lunch, & After School Care) are current and up to date. As a reminder to you as the school year is coming to a close, no records or report cards can be released until your financial obligations are taken care of. Students may also be held out of field trips and field day. All accounts of the present 8th grade must be paid in full by the first of May, in order for students to participate in year-end activities.
- Help us spread the word about St. Anthony School and the wonderful education that the students receive at the school. We will be hosting a Spring Open House on Tuesday, May 8th from 5:00 PM to 7:00 PM. If you know of anyone wanting more information or a personal tour, please have them call the school office.
- All parents should have received an invoice for the 2018-19 school year. If for some reason you did not receive one, please contact Emily Fisher in the school office. **Some bills may be wrong since the parents have not completed the Choice Scholarship Application or the SGO Application. If you still need to do this, please send in your taxes and Mrs. Noon will contact you for an appointment.**

- As we enter into the last few weeks of school, it is extremely important that you remind your children that school is their top priority. Many of the students are involved in many extra-curricular activities and teachers are noticing that students are not completing homework or studying for tests. Some are coming to school very tired and not willing to work. We ask that you encourage your child to continue working hard the last few weeks of the school year.
- There is no School on Friday, May 4th, Oaks Day.

Shout Out

Thanks to everyone who made this year's Walk-A-Thon so successful. I would like to give a special shout out to Mrs. Nanci Yates and her volunteers for a great Walk-A-Thon. Also, thank you to parents, grandparents, and families who supported the walk with your generous donations. Great Job! If you still have money to turn in, please turn it in as soon as possible. Thank you!

Flowers Requested for Marian Service

We will honor Mary, the mother of Jesus, with the crowning of Mary during Mass on Wednesday, May 2nd. As part of the ceremony, each 8th Grader will carry a bouquet of flowers in the procession and place them before the statue of Mary in the sanctuary of the church. Songs and prayers will follow, and an eighth grade student will culminate the ceremony by placing a crown of flowers on the statue of the Blessed Mother. If you have any flowers in your yard, please send them to school before the service on Monday, April 30th or Tuesday, May 1st. Parents are welcome to attend the Mass and May Crowning. In addition to the Marian Service on Wednesday, there will be a Mary altar in the first floor hallway through the month of May. In order to keep the altar adorned with fresh flowers, we ask that you send flowers in throughout the month.

Lenten Mission

Thank you to all students who turned in their Mission Boxes after the Lenten Season. I am happy that we can support St. Labre Indian School in Ashland, Montana. It is a great feeling to know that we are helping young children get an education, graduate high school, and even attend college. It is a blessing to show our support for the Indian children. We were able to send \$240.00.
