

2022 – 2023

## St. Anthony School Tuition and Choice Scholarship

St. Anthony School Tuition will remain at \$5,995 per student for the new academic year 2022-2023 for students in Kindergarten through 8th grade.

**Indiana Choice Scholarships** put a quality, Catholic education in reach of almost every family. Recent upgrades to the Indiana Choice Scholarship program for those children in private schools means 85% of Indiana's children now qualify!

From another perspective, a family of four with a household income of up to \$154,000 qualifies to have 93% – 99% of their St. Anthony tuition paid by the state of Indiana bringing the annual cost down from \$5,995 to between \$50 and \$400 or ten monthly payments of \$5 – \$40 per month, depending on your local school district. Please contact our School Principal, Mrs. Tucker to discuss what we can do for your family. Just call 812-282-2144.

**Service Hours** are requested of every school family. The St. Anthony School Community would like for every family to give at least 20 hours of volunteer service over the ten months of the academic year. There are countless ways to do this and it will accomplish several things.

- 1) You will experience the same environment and culture as your child.
- 2) You will get to know the staff members and other parents and families.
- 3) You will know and understand how St. Anthony School operates.
- 4) You will help make St. Anthony School the best school it can be.
- 5) Schools work better when parents are informed and involved!

**Changes St. Anthony School has made for the 2022-2023 academic year:**

- a) The cost to the school for educating every child is \$5,995.  
Therefore, this 2022-2023 academic year we will not be offering either:
  - 1) A multiple student discount.
  - 2) A St. Anthony parishioner discount.
- b) All households are being asked to contribute a minimum of 20 service hours.
